The Vineyard

These old chardonnay vines are half-way up the slope, in the heart of our terroir, only 100m away from our home village of Cerseuil.

Still wines are a real challenge for our estate. Every aspect of our work has to be rethought: from the choice of the plot, the date of the harvest, to the wine-making and ageing methods...

The Wine

The grapes were hand-picked at the end of the harvest.
This wine has been aged for 23 months on the lees in 200L and 300L barrels.
No filtration or fining.
Bottling date: 30 Août 2017 (1334 bottles 75cl)

The Service

Serve in a big white wine glass above 10°C.
